

2024 SCHOLARSHIP GUIDELINES & APPLICATION

Deadline to Apply -- March 15, 2024

Directions: Scholarships offered through the Foundation for Appalachian Ohio (FAO) are made possible by the generosity of donors who support the post-secondary efforts of the region's students. FAO uses a general scholarship application form. **Only one application is required, but please read the scholarship description/criteria provided on pages 9-14 and check the box next to all scholarships you apply for and note how you meet criteria for each when completing your Personal Statements. Only complete applications will be considered.** This application, along with other scholarship opportunities (with separate application forms), are available on FAO's website at www.appalachianohio.org/scholarshipapplications. Scholarship awards will be for the 2024-2025 academic year.

Please answer all applicable questions. You are responsible for ensuring all supporting documents are submitted. **This application will only be valid for consideration when all the following information has been received by FAO:**

- _____ 1. **Complete and sign the Application Form** (pages 2-4). Scholarships have specific criteria. Please read pages 9-14 to determine the appropriate scholarships for which you will apply.
- _____ 2. **Distribute Applicant Appraisals** (pages 7 & 8) – Two appraisal forms are attached to give to a school counselor, teacher/professor or other person who is in a position to recommend you according to the given criteria. Give the forms to appraisers as soon as possible and determine how they prefer to submit the forms. You may attach them with your application, or the appraisers may email/mail them separately to FAO (see below).
- _____ 3. **Attach ONLY the SAI** (Student Aid Index) page of the Submission Summary to your application from your online FAFSA application (Free Application for Federal Student Aid, www.fafsa.gov)
- _____ 4. **Attach Transcript** – Students must submit a school transcript (official or unofficial).
- _____ 5. **Attach written responses to the Personal Statements.**
- _____ 7. **Add scholarships@ffao.org to your email safe senders list** to ensure you receive all communications and award notification emails from FAO.

Process: FAO annually appoints a Scholarship Advisory Committee to recommend awards. Final approval is made by the Foundation's Board of Trustees and decisions are final. FAO scholarship awards may vary from year to year in the number and amount of each award. Award recipients will be required to submit proof of enrollment. All awards are made payable directly to the institution of enrollment on the recipient's behalf for the purposes and expenses associated with tuition, fees, books, supplies and equipment required (by all in the class) for coursework.

Notification of Awards: FAO will contact scholarship award recipients by May 31, using the email address provided on the application. **Please use a personal email address (vs. a high school email)** and be sure to check all email folders, including junk/spam folders, for correspondence from FAO. Our website will have a complete list of recipients posted by July 31.

Please submit application and supplemental information through one of the following methods:

Option 1: Email to Scholarships@ffao.org and write "Scholarship Application and STUDENT NAME" in subject line of the email. ****All application materials (listed above) should be scanned into one single-sided PDF attachment** (unless appraiser prefers to send separately). You do not need to mail originals. Emailed applications and appraisals must be received no later than 11:59PM on March 15, 2024.

Option 2: Mail to FAO, P.O. Box 456, Nelsonville, OH 45764. **Applications sent by mail must be postmarked no later than March 15, 2024. **PLEASE DO NOT USE STAPLES ON DOCUMENTS OR PRINT 2-SIDED PAGES****

The AK Steel Foundation

The AK Steel Foundation Student Scholastic Award for Science, Technology, Math and Engineering was established by the AK Steel Foundation to provide a permanent source of scholarship support for students **pursuing studies in the STEM fields of Science, Technology, Engineering and Mathematics**, with particular emphasis on

metallurgy. Scholarships are available to both traditional and non-traditional students. Headquartered originally in West Chester, Ohio (Greater Cincinnati), AK Steel produced flat-rolled carbon, stainless, and electrical steels, primarily for automotive, infrastructure and manufacturing, construction and electrical power generation and distribution markets.

Eligibility Requirements & Criteria

- Must be a student within the 32 counties of Appalachian Ohio pursuing or beginning pursuit of study in the **STEM fields of Science, Technology, Engineering and Mathematics**; *priority is given to those with the specific focus of metallurgy.*
- Overall academic achievement, with a particular emphasis on high achievement and **career interest in STEM fields**, with a future commitment to work in Ohio.
- Demonstrate financial need.

The Ora E. Anderson Scholarship was established in honor of Ora Eaton Anderson in memory of his lifelong contributions toward the conservation and protection of Appalachian Ohio's natural environment. Throughout his life, Anderson leveraged the perspective and passion he gained as a young reporter, documenting the development of the region's forests to create educational environmental experiences for others. Through poems, essays, woodcarvings, and a variety of civic contributions, Anderson led unprecedented collaborations and inspired people from all walks of life to appreciate and care for Appalachian Ohio's landscape. Over his lifetime, Ora planted tens of thousands of trees, promoted conservation education, and pursued his love of nature and the arts as an essayist, artist, and advocate.

Eligibility Requirements & Criteria

- Must be a graduating high school senior or possess a GED, and currently live and attend school within the 32 counties of Appalachian Ohio.
- Attend a 2-year or 4-year institution of higher education to pursue post-secondary **studies associated with the natural sciences**, including but not limited to: forest and wildlife management; environmental restoration; natural and historical interpretation; ecotourism and related-disciplines associated with broadly protecting plants, animals, and the environment.
- **Candidates who demonstrate overall commitment to environmental protection and conservation will be considered**; ethical character, extracurricular activities, volunteerism, and financial need are evaluated.
- Academic performance will be considered, but the potential for success as evidenced by an individual's commitment, interest, and desire to achieve educational goals in the field of environmental sciences and/or conservation will be carefully considered.

Awards: Scholarships will be awarded to one male student and one female student.

The Lee Beckett Legacy Scholarship Fund annually provides scholarship opportunities for graduating Nelsonville-York high school seniors pursuing post-secondary studies, to ensure youth have the opportunity to continue their academic endeavors after high school. The scholarship fund was established to honor Mrs. Lee Beckett and her work to support countless students throughout her 43 years of teaching. Beckett's first teaching position was at the then York High School, and the encouragement and support she provided students enabled them to believe in their ability to succeed. Throughout her teaching career, Mrs. Beckett went above and beyond to

support the success of her students – whether assisting with scholarship applications or helping secure part-time jobs, her mentorship enabled students to realize their goals.

Eligibility Requirements & Criteria

- Applicants must be a **graduating senior of Nelsonville-York High School**.
- Plan to pursue a post-secondary education, either full or part-time, at an accredited career/ technical center, community college or college/university.
- Student applicants must have at least a 2.5 GPA on a 4.00 scale.
- A personal essay must be submitted demonstrating balance in life activity and community engagement – academic, extracurricular, employment and volunteer service.

- Scholarship recipients must agree to participate in ten hours of community service, five hours per semester during the academic year of the scholarship award. Interim reports detailing volunteer work and their post-secondary studies must be supplied to FAO (form to be provided to recipients by FAO).

Awards: Scholarships will be awarded to one male student and one female student.

The Bellisio Foods Scholarship was established in honor of Bellisio foods founder, Jenó Paulucci. Bellisio Foods, one of the nation's largest and fastest growing frozen food companies, is the maker of a wide variety of frozen food brands, including Michelina's, Boston Market, Authentic Asia, Eating Well, EAT!, FSI, Atkins, and White Castle. The Bellisio Foods fund awards scholarships to children and grandchildren of Bellisio Foods employees pursuing post-secondary education, including technical and trade school, community college, university, etc. Bellisio's leadership and scholarship fund encourages economic success and access to educational opportunity.

Bellisio Foods Scholarship Eligibility Requirements & Criteria

- **Applicants must be dependent children of a current employee** in good standing for at least one year, including biological children, legally adopted children, children placed with employees for adoption, stepchildren and any children for whom an employee is the legal guardian; grandchildren of employees, regardless of dependent status also qualify. Employees may work at any U.S. location of Bellisio Foods.
- Recipients shall be chosen based on: financial need, character as evidenced by personal conduct, values, and attitudes and behaviors towards others; and community service as evidenced by leadership, service and activities; and academic performance and potential.
- Applicants must be pursuing an undergraduate post-secondary education, full or part-time, at an accredited career/technical center, community college or four-year college in the U.S.
- Applicants must have at least a 2.5 GPA on a 4.00 scale.
- Priority will be given to students receiving the Bellisio Food Scholarship award for the first time and no student may receive more than four (4) awards.

Awards: Scholarship awards are determined based on the number of applicants.

The Charles E. Chippi Scholarship Fund provides scholarship opportunities for graduating Guernsey County high school seniors pursuing post-secondary studies in education. Chuck was a retired School Administrator having served forty-two years with several local school districts, Rolling Hills, Cambridge and Shenandoah. A 1953 graduate of Valley Local High School, he received his bachelor's degree from Ohio University and later earned his master's degree in education from WVU. He was born and raised in Derwent Ohio. Chuck was a member of the St. Michael's Byzantine Catholic Church, Ohio Teachers Association, Atwood Bass Anglers, Rolling Hills Hall of Fame, and Buffalo Alumni Hall of Fame. He also volunteered his time and talents at Southeastern Ohio Regional Medical Center and was on the board of the Guernsey County Senior Center. Education was Chuck's passion, besides fishing, and he wished to establish a legacy gift of a scholarship to express his belief in the importance of a good education.

The Bob Evans and Wayne F. White Legacy Scholarship was established by family and friends of the two, including Bob's wife, Jewel Evans (she and her husband founded the original Wayne White Scholarship), to honor the legacy and commitment these two friends had to the Appalachian Ohio region. The late Wayne White was Director of the Ohio Appalachian Center for Higher Education (OACHE) and a founding board member of the Foundation for Appalachian Ohio. The late Bob Evans, a nationally recognized restaurateur and philanthropist, served on the Ohio Board of Regents and was instrumental in founding OACHE. Both passionate about education and champions of Appalachian Ohio, Both men were committed to ensuring finances were not a barrier to youth's ability to access post-secondary opportunities. White and Evans touched and inspired many with their enthusiasm, energy, and optimism. They worked to change the landscape of education, fighting for equal funding for rural schools and encouraging youth and adults to pursue higher education. Born and raised in Appalachian Ohio, both believed deeply in the academic ability and potential of the region's students to succeed. The scholarship serves to help all students realize they can pursue post-secondary education, regardless of financial situation.

- Applicants must have a GPA of 3.0 or higher.
- Applicants must be pursuing post-secondary education at an accredited 2-year, 4-year institution of higher education to earn an associate or bachelor's degree.

Award: One \$500.00 scholarship will be awarded.

The Ariana R. Ulloa Memorial Scholarship was established by family, friends, and students in 2003 to honor the memory and life's work of Ariana R. Ulloa, so she may continue to live in the hearts of all she would have touched with her love. Ariana was born in Mexico and moved to Athens in 1986. She began working for the Hocking College Department of International Programs in 1990, eventually moving into the position of Director. She was known for her kind and encouraging nature and is affectionately remembered by many students as *Mamá Ariana*. Although she passed away in December 2002, Ariana's legacy lives on through this scholarship.

Eligibility Requirements & Criteria

- The scholarships are available to **international students and eligible noncitizens pursuing any field of study, as well as students pursuing a degree in international studies or international relations.**
- Those applying must already be enrolled full time in an accredited career/technical center or 2- or 4-year college/university program; proof of enrollment is required.
- Preference will be given to those who demonstrate financial need, show academic achievement, are involved with extracurricular activities, and possess educational as well as personal life goals.
- Students must be residing or studying in one of the **32 counties of Appalachian Ohio, or in Franklin, Fairfield, or Delaware counties.**

The John G. and Suzanne Scott Weber Scholarship Fund was established with hopes to lay a firm foundation for students graduating from the Switzerland Ohio School District. It is also John and Suzanne's desire that some of these accomplished students would return to Monroe County, Ohio; that they will endeavor to serve and enhance lives of the people in these communities. John was born in Woodsfield (Monroe County); Suzanne was born in Columbus (Franklin County). John and Suzanne both graduated from Ohio Northern University in 1965. John graduated with a pharmacy degree, and Suzanne, with a degree in Elementary Education. Throughout this time to the present, they remain devoted servants of Christ in their community and in the Woodsfield First United Methodist Church.

Eligibility Requirements & Criteria:

- Applicant must be a resident of Monroe County graduating from the **Switzerland of the Ohio School District** (including Beallsville, Monroe Central, and River High Schools, and Swiss Hills Career Center);
- Attending an accredited 2-year or 4-year post-secondary school or career/technical center;
- Pursuing a course of **study in education**, including special needs education, or **the sciences, including agriculture;**
